HOSPITALITY PROJECTS

Delivering creative design solutions,
we are one of the most innovative bespoke
furniture manufacturers in the world.

At Hospitality Projects, we redefine luxury furniture design with a collection of prestigious projects—including Mandarin Oriental Mayfair, Dorchester Collection, Nobu Hotel, Soho House Stockholm, villas in the Bahamas, and châteaux in the South of France. Our creations reflect elegance and innovation.

Engaged in projects around the world, we bring our influence and expertise to every corner of the luxury market. Our pledge to sustainability and functionality guarantees that each space we design is both practical and aesthetically pleasing. Proudly crafted in England, our furniture boasts exceptional quality and artisanal skill.
